INTRODUCTION

Welcome my trusted fans to this the latest issue of your favourite Power RangeSQWWWK! Please stand--SWQKKK! I am experiencing interSSWWQQQRRKKKKKK!766666\ There appears to be a piraARRCCSSSSSSHHHHHsignal breakXXXZZZQQQQQRRZZZ.....

DO NOT ATTEMPT TO ADJUST YOUR COMIC. For I am the Emperor of Evil, LORD ZEDD! Lord Zedd the mighty, the masterful, the malevolent. I have taken over control of this pathetic comic, to show you, the Rangers, and that puny hologram Zordon, just how easy it is to do, and to issue an ultimatum to those meddling misfits, the Power Rangers: Surrender to me now and I will be lenient with you! But attempt to defy my will and you will face my total wrath!
When that bungling interstellar witch Rita Repulsa was in control you had it easy! With monsters that bordered on the pathetic, with schemes a mere child could have stopped, and traps so simple a mouse could have navigated them! Well that's all changing! Because from now on, I'm in charge! I have dedicated my life to defeating those teenagers with attitude, once and for all, and once I have I will cast them, for all eternity, into the temporal void, along with that old fool Zordon! And then I shall rule your world supreme!
HAHAHAHAHSSZZRRQQQQRRRRRKKKKKK!

Please do not be alarmed, loyal fans. Lord Zedd is more hot wind than anything! Although I admit he was able to break through my defenses it was merely temporary and I am now back in control! So Power fans do not fear him, no matter how horrible he looks and talks, for good will always triumph!
But now before we go any further, Alpha Five, my trusty robotic assistant would like to say a few words regarding this month's exciting free gift.
AI!AI!AI!AI!AI! Roll over the marbles!.. Kick out the football stickers!.. Unplug those games consoles!.. It's time for a revolutionary new gaming concept! CHAMPIONS, the COLLECTOR CARD GAME SYSTEM, the first interactive scratch card for kids! Champions features two different series of gaming adventure, MONSTER WARS and MEDIEVAL BATTLE.. Each series features character cards, either monster or warriors and spell or weapon special cards.
The monster and warrior cards can be interchanged to add extra play value. The aim of the game is to capture your opponent's cards by defeating them in battle. The winner is the player with the most number of captured cards at the end of the game. Each of the two players, take turns attacking his opponent and then defending by playing up to 5 cards. If a character is defeated the victor can scratch off the highest silver latex panel, thus reducing the card's appropriate value. Further packs of champions cards, whose powerful artwork and colourful characters make them highly collectable, will be available, along with booster packs, from newsagents, toy shops and stores. It's wild, fun and very active, so don't delay, get into it today!

ALPHA'S ESSENTIAL MONSTER ANALYSIS

AI AI AI AI AI! My monster database this month is hardly new, but thanks to Lord Zedd they are now far more dangerous! What they lack in amusing after-dinner conversation they certainly make up for in persistence and zeal, they are of course those silver kicking bags, the Putties.

PUTTIES (MARK 2)

Occupation: ..... FOOT SOLDERS, CANNON FODDER.

Appearance: ..... GREY, UGLY, KNOBBLY HEADED. LIKE TO WEAR GREY JUMPSUITS AND LARGE MEDALLIONS WITH THE LETTER 'Z' MOUNTED ON THEM.

Powers: ..... ABLE TO DISAPPEAR AND REAPPEAR AT WILL, HIGHLY AGILE, EXCELLENT MARTIAL ARTS SKILLS AND MASTERS OF CAMOUFLAGE.

Plus points: ..... SINGLE MINDED, EXCEPTIONALLY LOYAL, EASILY MANUFACTURED AND IN UNLIMITED SUPPLY.

Weaknesses: ..... EASILY DESTROYED WITH A WELL AIMED POWER BLOW AT THE 'Z' MOUNTED MEDALLION THEY WEAR AROUND THEIR NECKS.

Special Likes: .... FIGHTING, DISAPPEARING AND REAPPEARING AT WILL.

Dislikes: ..... BEING KICKED IN THE MEDALLIONS.

Biggest Achievement: ..... COMING SECOND IN THE EUROVISION SONG CONTEST WITH THEIR SONG, "MMBBLMBL! MBBLMMLBLL!" (No only joking!).

Ranger Danger Factor: ..... 30%. NOT VERY DANGEROUS IN THEIR OWN RIGHT. PUTTIES ARE ALWAYS USED AS THE FIRST LINE IN ATTACK. ESPECIALLY HELPFUL IN KIDNAPPING UNSUSPECTING HUMANS, PARTICULARLY IF THEY DON'T PUT UP A FIGHT. THEY SCORE HIGHER IN THE IRRATIONAL FACTOR WITH A FACTOR OF 75%.

Likelihood of facing the Rangers Again: ..... 100%. WHEREVER THERE'S DANGER YOU CAN BE SURE THERE'S A PUTTY HIDING, READY TO ATTACK AND OBEY THEIR MASTER'S BIDDING.

Comparison to original Putties: ..... LORD ZEDD'S NEW IMPROVED PUTTIES, OR THE MARK II AS I LIKE TO CALL THEM, ARE FASTER, STRONGER, MORE AGILE AND MORE CUNNING THAN THEIR PREDECESSORS, BUT COMPARED TO THE MIGHTY MORPHIN POWER RANGERS THEY'RE STILL A BUNCH OF MUMBLING NINCOMPOOPS.

Hello my friends! What a busy time our favourite heroes have been having recently, coping with the extra-maniacal menace of that terrible LORD ZEDD! Ai Ai Ai! As if Rita wasn't ghastly enough! But what I must tell you is this - it makes all their struggles worthwhile when they sit back and read all your lively letters!

POWE FA

DAVID CAPUS writes to Kimberly, saying:"**MY BEST FRIEND MARTIN WANTS TO GO OUT WITH YOU ALMOST AS MUCH AS TOMMY DOES!**" Ai Ai Ai! Kim would need a lot of FREE TIME to go out with all the boys who write to her...about **ONE HUNDRED YEARS!**
DAVID says that he and his friend play **POWER RANGERS** together:"**WE ARE BOTH ON THE SAME SIDE AND WE FIGHT PRETEND ENEMIES SO NOBODY GETS HURT.**" Good idea, David, good idea! It's fun to play at **POWER RANGERS,** but always play **SAFE!**

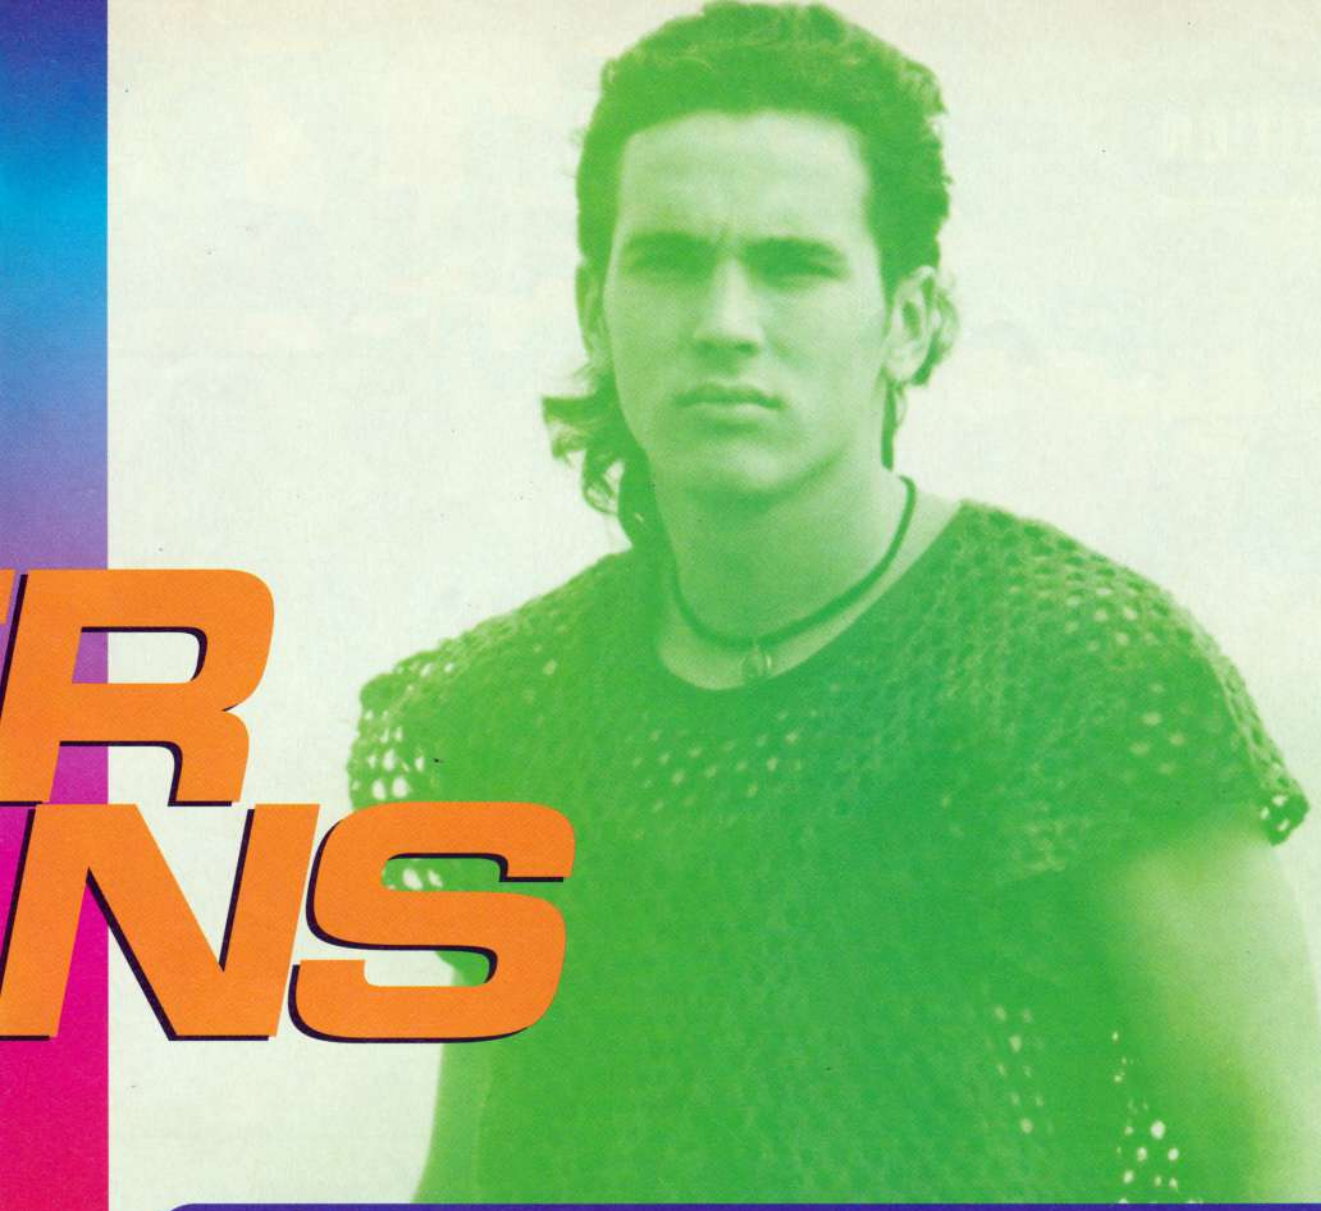
My circuits were sizzling with excitement when I received this cosmic communication from Power-Fan **CHARLES ELLIS** from Walton-On-Thames, Surrey. Just listen to his stupendous suggestion: "**I'VE GOT AN IDEA TO TO BEAT RITA AT HER OWN GAME. SHE HAS A MONSTER HARVEST, BUT YOU COULD HAVE A ZORD HARVEST!**"
AI AI AI AI AI! What a marvellous concept! **ZORDON** loves your idea, and says "Let's do it, right away!"

So here we go, Power Fans, if you're sick of revolting Rita getting her own way all the time, here's your chance to fight back! Send in your brilliant new **ZORD** designs, and ***we*** can scare Rita for a change! (Not that her silly Monster Harvest scares me at all! Ai Ai Ai! I'm safe here with my Mighty Morphin pals to protect me!) Think **MYTHS,** think **LEGENDS,** think **ZORD-POWER!** I can hardly wait to run my sensors over your incredible inventions! Perhaps some of you would like to try some **COMPUTER ART!** Being computerised myself, I'd love to see it. And We'll print the best ones of course. Anything Rita can do, we can do better! Charles Ellis wins a special **POWER RANGERS MYSTERY PRIZE** for his brain wave!

Send your pictures to **ALPHA'S ZORD HARVEST, POWER RANGERS MAGAZINE, MARVEL COMICS LTD, 13-15 ARUNDEL HOUSE, LONDON WC2R 3DX.**

Oh dear, **ZORDON** is calling me, he probably wants me to keep an eye on the antics of **LORD ZEDD,** as usual! But before I go, I just have time to tell you about some fantastic news! Starting from the next issue, your favourite **POWER RANGERS MAGAZINE** is going **FORTNIGHTLY!** Twice as much power every month! With competitions, illustrated stories, video reviews, games, puzzles, up-to-the-minute news, gossip and much much more! So don't forget to GO! GO! Down to your local newsagent and reserve a copy!

ISSUE #8 ON SALE: 16TH SEPTEMBER.



A Mighty Morphin Message for you... It's TOMMY - THE GREEN RANGER

Believe me, it means a lot to me to rap with you on a certain subject that's very important to me - and seems to be worrying some of you - my powers!

Recently, the Command Centre had a letter from a VERY ANXIOUS FATHER from Walsall, who said he was trying TO GET HIS UPSET CHILDREN HAPPY AGAIN! Listen up! Please please please please, a thousand times over, can you give the GREEN RANGER full powers NOT LIMITED, as it is HELL in our house, because my children love him and are upset the GREEN RANGER was not given new power with the rest.

I want to tell you all not to worry! With Zordon watching over me, and my team-mates by my side, I've got a feeling that things are going to be A-OKAY!
Zack said, And it would kind of boring if we won too easily! It's hard to know with Zack, whether he's joking or being serious! But if I had the incredible full powers that Rita gave me in my first adventure, then the POWER RANGERS adventures wouldn't last very long...we'd trash Lord Zedd before the first ad break!

Zordon told me that strength is INSIDE you, it's in believing in yourself, not only in special magic powers! Think of all the times that we Rangers have been up against bigger, more powerful foes than us! But through *helping each other*, we've come through!

Not having full powers is a good experience for me. It's teaching me teamwork, wisdom, and the importance of practising my skills. But there's one thing I've learnt above all: NEVER GIVE UP! In the end, I'll be a better Ranger for my experiences. And just wait until you see POWER RANGERS THE MOVIE! You'll be in for a cosmic surprise, not just about my powers, but about the powers of all the Rangers! You can't miss it!

THE Z-FILES

LORD ZEDD

P.R.OFILE

P.R.OFILE

"THE THING I FEARED MOST HAS HAPPENED!.." - ZORDON.

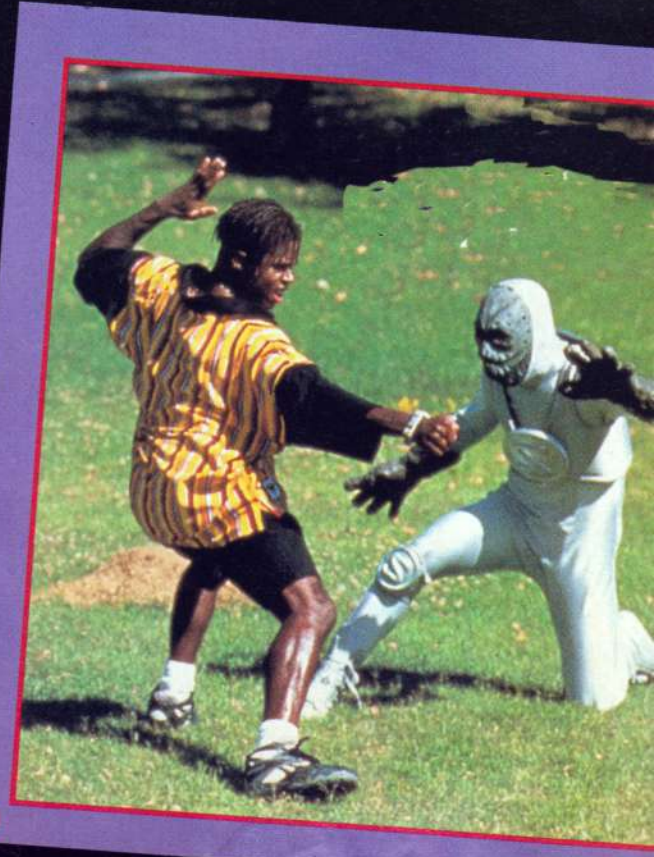
It'll be remembered as one of the most amazing adventures in the annals of **POWER RANGER HISTORY**! The adventure that saw banishment of **Rita Repulsa** and the introduction of a new super villain, and it happened in the three-part episode entitled, "**MUTINY.**"

"YOU HAVE MADE ME VERY ANGRY!" - LORD ZEDD.

For well over a year that crazy inter stellar witch, **Rita Repulsa**, tried and convincingly failed to defeat **ZORDON** and the **MIGHTY MORPHIN POWER RANGERS**. No matter how impressive her schemes, or how powerful her monsters each time she launched an attack, she was defeated. And so her dreams of reigning supreme as the Earth's ruler were thwarted. Though all that time, it was believed that she, Rita, was the most powerful villain the universe had ever seen! How wrong we were, for she was just a servant of a much more powerful evil!

"THIS CAN ONLY MEAN ONE THING! LORD ZEDD, THE CRUEL HAS RETURNED!" - RITA REPULSA.

The story of her downfall began like many others before. From her Lunar stronghold Rita watched as our heroes took part in a cross-country 4-wheel bike race, her evil mind was a blur of activity as she formulated yet another plan! But time had at long last run out for her. Suddenly, her fortress was rocked by a thunderstorm so powerful it could be felt back on Earth and in a blinding flash of lightning and a cloud of evil smoke, **Lord Zedd**, arrived! Transported from another dimension to finish the job Rita and her cronies couldn't. His powerful red raw body, stood encased in an exo-skeleton of steel and tubing, he was a hundred times more horrible than Rita, and that was just in the looks department! His face lay hidden behind the silver sheen of his horned shiny helmet, while in his fist he clutched his 'z' mounted magical power staff.



P.R.OFILE

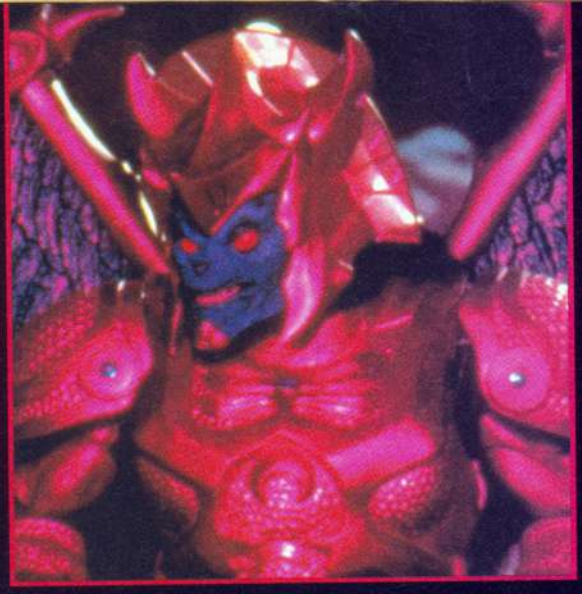
"YOU MEAN THERE'S SOMEONE WORSE THAN RITA REPULSA?" - TRINI.

From his **Chamber of Command**, deep within Rita's lunar fortress, Lord Zedd plots his domination of Earth, starting with, of course, **Angel Grove!** He will not hesitate to destroy anyone who gets in his way. Doing away with the services of Rita's monster maker, **Finster**, Zedd has created his own monsters. Monsters who are more powerful, more impressive and more ruthless than anything that's come before! As his first, **PIRAHNIS HEAD** shows! He has also modified and

"YOU DARE CALL YOURSELF THE EMPRESS OF EVIL? YOU'RE NOT FIT TO DESTROY A COCKROACH!" - LORD ZEDD

Zedd is known as the Emperor of Evil, a ruthless tyrant, who like his predecessor before him is also a masterful magician and a bully to boot, who uses threats and powerful magic to control his lackeys. So utterly evil is Lord Zedd, that even **RITA** and the mighty **GOLDAR** cringe before him. A situation he positively revels in. Zedd cannot tolerate failure in any form, as his banishing of Rita shows! When he is angry both Zedd and his **Command Chamber** glows red hot, to reflect his rage and anger. There is only one characteristic he shares with Rita and that is his ability to blame those around him for his own mistakes.

P.R.OFILE



improved the **PUTTIES**, those grey skinned foot soldiers of old, into a new, tougher, more agile, fighting force, able to appear and disappear at will! And restored **GOLDAR**'s long lost wings back to him, making him an even more dangerous foe than ever before!

"I'LL STRIP THE ZORD S OF THEIR POWER AND RETURN THEM TO THE DEPTHS OF THE EARTH, WHENCE THEY CAME!" - LORD ZEDD.

In his first battle with the Rangers, Lord Zedd's monster creation, the fish mutated Pirahnis Head was able to control the mighty Dinozords, turning them against their Ranger riders. Finally using his own awesome magical powers Zedd dragged the Zords deep into a fiery chasm, where they were destroyed! It was only through sheer determination and the revealing of new incredible Zords that the **MIGHTY POWER RANGERS** were able to halt Pirahnis Head and Zedd's first all out assault against the Earth.

THESE NEW THUNDER ZORDS ARE AMAZING! - ZACK.

Lord Zedd has proven himself to be a mighty adversary indeed. More ruthless, more cunning, more powerful than Rita Repulsa, he will ultimately prove to be one of the single greatest threats that the Rangers have ever faced. But with their new improved **THUNDER-ZORDS**, and dogged determination, our six teenagers with attitude have shown they're up to the challenge of stopping Zedd's schemes, and he is not happy! The Evil Emperor wants revenge and will stop at nothing until he stands supreme as Emperor of not just the Earth, but also the galaxy!

"MAY THE POWER PROTECT YOU ALL." - ZORDON.

Wow, that was one of the toughest tests we ever faced! And I think we all learned one thing from it - no matter what incredible odds are stacked against you, it's never really over until the fat lady sings! Or in our case - until the witch-lady gets a headache!

Hey, I get a big kick out of reviewing our amazing adventures, it sure brings back some happy (and some downright scary) memories! POSTBOX

IT'S TIME FOR DARK DEEDS AND DANGERS, TIME TO HATE THE POWER RANGERS! YES... IT'S

RITA REPULSA POSTBO

HI, FANS! RITA REPULSA HERE, TRANSMITTING TO YOU FROM THE DUMPSTER VIA SATELLITE, WITH ANOTHER SELECTION OF YOUR LETTERS! BUT BEFORE WE START, HERE'S A QUICK JOKE...

WHAT'S UGLY, VERY, VERY STUPID, PINK, RED, YELLOW, GREEN, BLACK AND BLUE? GIVE UP? IT'S THE POWER RANGERS OF COURSE! HAHAHAHAHA! ANYONE WHO DOESN'T THINK SO ARE PESTS! AND, JUDGING BY THE CONTENTS OF MY POST BAG THIS MONTH, THERE ARE LOTS OF YOU OUT THERE!!!

I received this letter from two particularly yucky do-goody pests, **Carina** and **Sandra**, from Bristol. They say "*We like watching Power Rangers because we just love seeing them beat you all the time!*" What do they mean, **BEAT ME!?!?** Those Power Pests have never beaten me - they just beat the useless creatures dreamed up by that onion-headed failure, **Finster!** The only creature I've ever created was **The Green Ranger** - and we all know how close he came to defeating those Power Brats! So, Carina and Sandra, since **Tommy** is your favourite Ranger, I think you should be sending me big boxes of chocolates, instead of nasty insults. Then they finish their letter with the worst insult of all by sending "*Greetings to* **Goldar**." GREETINGS? After what that ape faced, jumped-up, bat winged, waddling, super-snitch said to **LORD ZEDD!** If I ever get my hands on him again, I'll give him a greeting he'll never forget!!

Koa Harvey's letter starts off really well: *"You are the biggest, greatest, slimiest, yuckiest, gruesome-est, horriblest, ugliest, evil-est, wickedest witch,"* she writes. OH GOOD! At long last someone who really appreciates me! But Koa spoils it all by adding, *"I think your dress is the stupidest in the whole world, and your hat looks like two deformed caterpillars".* Two deformed caterpillars, eh? Now that sounds like a really good idea for a monster. Thanks, Koa! HA HA! I know... I'll pass your idea on to Finster, maybe he can make it into a monster that will pulverise those puny Power Rangers!

"I think you are an awful person," writes **Craig Anderson** from Tyne and Wear. Of course I am! There's nothing I like better than being really awful! In fact I love it more than I love maggot and putrid peanut butter sandwiches! *"I hope that you may change,"* Craig writes, *"but I don't think it's possible for you to be nice."* **HAHAHAHAHAHA!!!** I jolly well hope so, Craig! It would be such a waste of the 10,000 years I spent in the **Cosmic Dumpster,** thinking up ways of being horrible to **Zordon** and his Power Poodles if I was to suddenly turn all nice and sweet!

'NICE' **YUK!** What a simply revolting idea! After a shock like that, I was overjoyed to find a letter from someone who loves me for who I am. **DALE KING** of Cambridge, who wrote..."*Dear Rita, I think you're*

'S
OX

really horrible and very naughty! I love the way you're always being rude to the Rangers on your letters page. It makes me laugh. I used to like ***Baboo****,* ***Squatt*** *and* ***Goldar*** *but after they dobbed you in it with Lord Zedd, I really went off them!"* Thank you Dale, (SNIFF SNIFF) for your kind words. (SNIFF SNIFF) And I'm not crying, I've just got something in my eye. I couldn't believe how fast Squatt and Baboo changed sides when Lord Zedd turned up! And after all I'd done for them! Still I hope Zedd gives them a really tough time! HAHAHAHAHA!

How can anyone think Lord Zedd is better than me? I mean, for a start he's red and wrinkly, while I'm prettier, much cleverer and have much better fashion sense! Oh yes, don't forget, I can also shout MUCH LOUDER than Lord Zedd!!!!!

At first, I thought this next letter, from Gordon Mills and Joseph Booth, of Abbeydale in Gloucester, had sneaked over from the icky, yukky, too-nice-by-half **POWER FANS** page (which I hope you all know better than to bother reading) but when I read the words *"DEAR SLIMEBALL,"* I knew it was for me. *"Please tell Kimberly we have a mad crush on her..."* WHAT?!?!? *"...and say we LOVE her very much."* AAAAAGHGHGHGH!! What's wrong with you? When I was your age, boys wanted nothing to do with girlies! Mind you, back then humans were still just apes. Gordon and Joseph also wrote a P.S. (which in this case stands for Pretty Stupid): *'We're only ten, PLEASE tell her to wait for us."* HA! If you're only ten, then by the time you grow up, Kimberly will be REALLY, REALLY, REALLY OLD...she might even be thirty!!!

Finally a letter that tells it like it really is. *"I hate those stupid Power Mugs,"* writes **Stuart Gilasbey**, from Dyfed. *"You're the greatest..."* I AGREE! TELL ME MORE!! At last a boy with taste!

OH, NO! I'VE RUN OUT OF TIME! MY SATELLITE CONNECTION IS GROWING FAINTER! IT'S NOT FAIR! EVERYONE'S AGAINST ME!! But don't forget, my little grot-munks, starting with issue #8, RITA'S POSTBAG goes fortnightly! So twice as many pages of me, twice as often! HAHAHAHA! You lucky people. Oh and there's some awful pages with those Power Rangers on them.

RITA'S REPULSA'S MOST WANTED MONSTER HARVEST

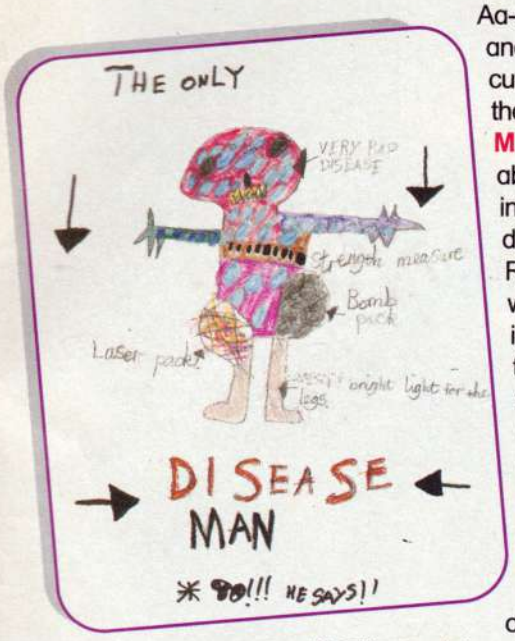
HAHAHAHAHA!! Welcome my loyal legion of fans, to the one place that horrible Lord Zedd can't touch me - the Rita Zone! This month, I sorted through hundreds of your vile creations, my wonderful, ever-inventive Repulsa-ettes, searching for the ones that could make a Power Pulp out of those puny Power Rangers! After I'd picked out seven of the most magnificent monsters I'd ever seen, and had them made, do you know what that ONION HEADED, gerbil brained, inventor Finster did? I hope you can hear me, Finster! He left the door of his laboratory unlocked and all the monsters escaped! AAAARRRGGGHHH! FINSTER, YOU ARE WITHOUT DOUBT THE UNIVERSE'S NUMBER ONE NUMBSKULL! So instead of presenting my latest batch of beauties I'm having to issue wanted posters of the beasties and their descriptions. So if you happen to see one of these monsters stomping up and down your high street, looking for a Power Ranger, do not approach! Instead inform the nearest Putty Patroller and retreat to a safe distance.

Heading up this month's most wanted gallery is the **THE SIX-HEADED CAT.** Master minded by **FRASER McNICOLL** of Wirral, Merseyside. This particular creation should be considered extremely nasty, especially since, If two heads are better than one, then six heads should be unbeatable! Having the same number of heads as there are Power Rangers, a metal arm and a sword that shoots fire, this purr-fectly petrifying kitty would have been more than a match for those irritating Power Brats!

Last seen flying away at lightning speed was **NIGHT WING**, sent in by **ADAM DUNNE**, of Cambore, Cornwall, which Finster described as buzzing brilliant! It fires lightning from its antennae, loves to eat Power Rangers, or sting them, or send them into other dimensions. I wish he'd send Lord Zedd into another dimension...oops, I shouldn't have said that! I hope Lord Zedd didn't hear me, or I might be the one sent into oblivion!

Step aside **CHUNKY CHICKEN**! There's a new young beak ready to take your place as the monster most likely to make the Rangers take flight in fright! **MARK BRUS** from Oxford, sent me a photofit of **MONSTER BULL BIRD.** A fearsome, feathered fellow, who is not only very colourful, but can also make his neck grow incredibly long, so he can see the Power Rangers coming from a long

way off and get ready to shoot them with laser beams from his extra head! Well done, Mark, he's good enough to end up as Ranger Enemy No.1!



Aa-choo! Baboo and Squatt are currently hoping that **DISEASE MAN** may be able to help them in the quest to defeat the Rangers. Sadly, we have no information on the inventor of this cleverly creative creature, as that fat-headed fool Finster managed to lose the piece of paper with his name on it! Still, we do have some really nice germs to remember Disease Man by. Aachoo!

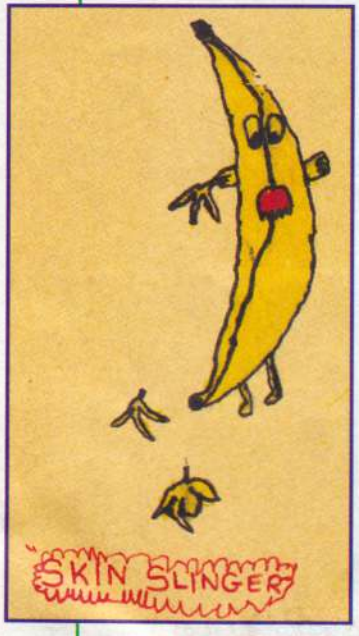
I would like to issue a warning to those pathetic Rangers. Beware the **WOLF HEAD**, conceived by **PAUL WOODFORD** of Spalding Moor, near York! This mean beasty of the night with his bloodshot eyes and dripping fangs is extremely scary, and if hit will deliver a nasty electric shock. I would advise the Puny Rangers to give themselves up now, before he gets his claws on them! He should be considered hairy armed and dangerous! **HAHAHAHAHA!**

Following a number of complaints from Putties about low-flying **Power Rangers, Rita** would very much like to hear from the **VENUS FLY-TRAP MAN**, hatched out by **CHRISTOPHER BLAKE**, from Tyne and Wear! This vile monster can catch prey with either his tongues, or with a deadly shot from his stomach, which can suck the power out of the victim. With their annoying little voices, those Rangers have often reminded me of irritating little insects.



Finally in this parade of desperately wanted desperados is the slippery when sliding, **SKIN SLINGER**, devised by **LEMMY GRIGGS** of Southall in Middlesex. SKIN SLINGER'S usual method of attack is to throw banana skins on the floor so that, when the **Power Rangers** are out picking up litter, or being nice to people, (YUK!) or whatever they do when they're not making my life a misery, they'll slip up and turn to stone when they hit the floor. It's slippery, its slidy, it's sensational!

If you should see any of these incredible creations please get in contact. Because with a crowd of nasties this bad on my team, I would have been unstoppable and Lord Zedd would have had nothing to complain about!
In the meantime, keep all your monstrous ideas coming, my little helpers - I'm counting on your fabulously far-fetched sketches to keep me out of the Extra- Dimensional Dustbin for the Utterly Useless!
Send your monsters to Rita Repulsa's Postbag, Marvel Comics, 13-15 Arundel St. London WC2R 3DX.
And don't forget to put your names on them!
HAHAHAHAHA! SEE YOU ALL NEXT TIME!
